Our teachers are very approachable, patient individuals who want to help you succeed.

ACCOMMODATION

Host family: Living with a local host family is a great way to become fully immersed in the language and culture. Most families provide two meals per day (breakfast and dinner) and are located within 30 minutes of the school. All families are carefully selected, interviewed and monitored regularly.

Self-catering apartments: Our apartments are usually located within 30 minutes of the school and are shared with other students. Our apartments are co-ed, however bedrooms are shared with the same gender. No meals are included but kitchen facilities are provided and students can prepare their own meals. (Private or shared rooms available.)

Including Europe, South America, Asia and beyond. We encourage students of ALL ages to take our courses, however most of our students are 19 - 40 years old.
